We have prepared TechSmith Camtasia 2018.0.1 Build 3457 (x64) Keygen 100% Working Latest Version Serial Keys Download link for our users . Using Camtasia 2018, anyone can quickly and easily create and distribute professional-quality videos. It allows you to record software demonstrations, create engaging video tutorials and much more — all with the simple click of a mouse. Whether you need to provide video feedback on a project or demonstrate how to complete a task in your help center, Camtasia 2018 makes it easy to add professional polish to any project. Imagine recording your screen activity along with voiceover narration, inserting royalty-free music or sound effects under the timeline for editing, adding graphics and titles — all in one session. Camtasia 2018 makes it easy to produce a professional-quality video in a matter of minutes. Key Features: Video Editing & Authoring Tools to Enhance Your Videos Capture and record your desktop, add graphics and titles, and incorporate both photo and video media into your projects. Camtasia 2018 integrates seamlessly with Adobe® Creative Cloud® allowing you to edit, create graphics and titles, or add music and transitions — all directly in Camtasia. Screen Capture & Editing Tools for Precise Results Camtasia provides the tools to capture precise portions of your screen — even scrolling content — without distortions or artifacts. Easily edit down your recordings if necessary, add annotations and share with others. Add Photos to Videos & Presentations Camtasia 2018 integrates with Adobe® Photoshop® to allow you to easily add a photo into a project. It also allows you to import existing photos or use a full-screen template that includes an image and a custom-designed frame. Engage Your Audience with Social Media Integration Pair your videos with social media sharing capabilities including YouTube, Facebook, Twitter, LinkedIn and more. Save the video as an MP4 file for uploading to preferred sites. Add-Ons to Enhance Your Videos Camtasia 2018 includes add-on features such as screen capture wizards, image overlay and transition effects. Add borders, text and audio to give your videos the professional look you need. Windows® 10 Supported
